

## Apostille of Duplicate Diploma and/or Official Transcript Request Information and Form

Empire State University offers an Apostille or certification of authentication process that certifies academic documents, specifically, duplicate diplomas and transcripts for SUNY Empire students and alumni.

An Apostille is an authentication of a public document issued pursuant to the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The convention provides for the simplified certification of public (including notarized) documents to be used in countries that have joined the convention. Under the Hague Convention, signatory countries have agreed to recognize public documents issued by other signatory countries if those public documents are authenticated by the attachment of an internationally recognized form of authentication known as an Apostille. The Apostille ensures that public documents issued in one signatory country will be recognized as valid in another signatory country. ([www.dos.ny.gov/licensing/apostille.html](http://www.dos.ny.gov/licensing/apostille.html))

If the country **is** a member of the Convention of 5 October 1961 Abolishing the Requirement of Legalization for Foreign Public Documents, then the document is authenticated at the New York State Department of State.

If the country **is not** a member of the Convention of 5 October 1961 Abolishing the Requirement of Legalization for Foreign Public Documents, then the document **does** need certificates of authentication by both the New York State Department of State and the U.S. Department of State.
